PROFFER ON AWARD OF COMPENSATION

I. Procedural History

On February 4, 2020, Dorothy Stradford (“petitioner”) filed a petition for compensation (“petition”) under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34, *as amended*. Petitioner alleges that, as a result of receiving the influenza vaccine on October 1, 2018, she suffered from Guillain-Barre Syndrome (“GBS”). *See* Petition at Preamble.

On July 23, 2021, respondent filed his Vaccine Rule 4(c) report, concluding that petitioner suffered GBS as defined by the Vaccine Injury Table, within the Table timeframe, and the Chief Special Master Corcoran issued a ruling on entitlement, finding that petitioner was entitled to compensation for a GBS Table injury. ECF No. 26; ECF No. 28.

II. Items of Compensation

Based upon the evidence of record, respondent proffers that petitioner should be awarded **\$190,169.55**, for all damages, including \$185,000.00 representative of pain and suffering, \$1,076.56 representative of incurred out-of-pocket medical and related expenses, and \$4,092.99 representative of a past-due balance on petitioner’s medical bill. This amount represents all elements of compensation to which petitioner is entitled under 42 U.S.C. § 300aa-15(a).

Petitioner agrees.

III. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through two lump sum payments, as described below, and requests that the Chief Special Master's decision and the Court's judgment award the following:

- a lump sum of **\$4,092.99**, representing the balance due for petitioner's past medical treatment received at Overlook Hospital, in the form of a check payable jointly to petitioner and Certified Credit & Collection
PO Box 1750, Whitehouse Station, NJ 08889.

Petitioner agrees to endorse this payment to Certified Credit & Collection; and

- a lump sum of **\$186,076.56** in the form of a check payable to petitioner.¹ This amount represents compensation for all remaining damages that would be available under 42 U.S.C. § 300aa-15(a).

Petitioner is a competent adult. Evidence of guardianship is not required in this case.
